Introducing New Aesthetics

NEW LOOKS, COMBINED WITH THE POWERFUL QUALITIES OF CORIAN® SOLID SURFACE, HAVE BEEN CREATED FOR DAZZLING OPTIONS. CARRARA AND ARTISTA AESTHETICS, TOGETHER WITH THE SPARKLING GRANITA AND SAND STORM COLOURS, TAKE DESIGN IN NEW DIRECTIONS, INCORPORATING HIGH PERFORMANCE AND HIGH-LEVEL BEAUTY.

Inspired by nature's most revered stone, the Carrara collection offers a classic, contemporary style. Two veined options, cool grey CARRARA LINO and warm beige CARRARA CREMA, embody modern relevance whether enhancing a residence or commercial setting. With the intrinsic features of Corian® Solid Surface built in, they appear regal and elegant in a kitchen or bathroom, or powerful and strong in wellness and retail spaces.

The Artista range presents subtle, neutral colours and then adds energy with pronounced veins coursing through the surface. Specially created designs in ivory ARTISTA CANVAS, cool ARTISTA GRAY, warm ARTISTA BEIGE and sultry ARTISTA DUST are designed to excel in any space. Easy to maintain, hygienic and able to hide life's little everyday mishaps, the range is neutral enough to serve as a background and stylish enough that each aesthetic makes a style statement.

Effervescent crispness is integral in SPARKLING GRANITA as it dances with translucent and sparkling particles. The refreshing concept for simple white is perfect for healthcare, retail and food service and it also adds an upbeat note to residential design. Swirling with movement, SAND STORM features white and tan elements that mingle for an aesthetic subtle in colour but dynamic in design. This fascinating addition is suitable for both commercial and residential spaces.

Whether inspired by classic patterns, crafting complex designs or adding fizzy freshness to simple white, the new colours of Corian® Solid Surface have been created with an eye on style and functionality to make the Everyday Extraordinary.
